

QUALITY POLICY

HAR establishes the following Quality Policy:

We are **HELM ARGENTINA**, a company that operates throughout the country in a responsible manner, developing, importing and selling Plant Protection Products. We are permanently committed to continuous improvement through the management of a Quality System, in order to:

- Achieve the maximum satisfaction of our clients, suppliers, partners, employees, shareholders and other interested parties;
- Constantly empower, value and train our employees, applying our leadership and collaboration principles, aiming at excellence in all the things we do;
- Guarantee full compliance with applicable laws, regulations, standards and other regulations;
- Carry out the responsible handling of our products, which is an integral part of our policy, being aware that it is our obligation toward customers, the environment and the well-being of a society. We manage this great responsibility through a systemic risk assessment;
- Foster a guided and integrated communication for all employees, clients, shareholders, regulatory bodies and other interested parties;
- Support and encourage actions to prevent potential risks, and manage incidents with a focus on quality, to protect our tangible assets, as well as the image and reputation of our brand;
- Strengthen our long-term relationship with all our partners.
